News from the High
Council of Britannia
=====

The 200th meeting of
the High Council began
with a disruption by a
woman who seemed
half-crazed and definetly
not in complete control
of her faculties.
Chancellor Tanda identified
her as Alista Greenwood,
a former adjutant to
Tex, who was Councilor of
Skara Brae during the
time Grand Marshall Nero
declared Marshall Law.
Lady Greenwood was
heard to mutter things
regarding Mondainites,
Experiments, Mordain, and
a few other things that
couldn't quite be
understood. She was
taken out into the hall
of the Council Chambers
by Leonidas of the Yew
Militia and one other
gentleman and questioned,
but she ran off. The
Militia and a few others

followed her, but by the time they caught up with her, she had been murdered. Squire Seldane of the Royal Knights of Redemption claimed to have seen her body with a dagger in its back, but when others arrived, they reported only that the body was missing, possibly taken, and a Mondainite was seen in the forest who immediately left when he was spotted.

Shortly after that, the meeting resumed and Piper of the Yew Militia announced the deaths of Leon and Page DeLucsil. Upon further investigation it seems that Leon and Page died searching for Malag-aste. The Funeral is slated for Friday May 19th at 7:30cst at the Memorial Park in Yew, with a gathering at the Royal Oaks Tavern immediately afterwards. The Grand Marshall announced that all members of the BAF are to prepare to remove the Second Empire of Armageddon from Magincia and strike at the EoA homeland.

Chancellor Tanda urged the populace to travel with Caution and stay in groups.***

News from the United Council of Sosaria

It was announced that there was a large scale battle in Tokuno this past Sunday evening, and the BAF proved victorious. Lama Ujio of Zento made the comment "I fear the upcoming conflicts with the Empire of Armageddon needs to be our primary focus. They are getting rather aggressive as of

late."

Lady Akasha of Newcastle announced that Newcastle Township will be holding a fall festival.

The Next meeting of the United Council of Sosaria will be held in the city of Zento, Tokuno on Tuesday, May 23, at 8pm cst.

News from the Township of Newcastle

The United Council of Sosarian public warehouse and bath will open soon. It will be a place where people can bathe and relax. Runes will be placed at various places throughout the alliance. Ideas and suggestions for the Fall Festival are welcomed as well as donated items for prizes.

Newcastle will be holding a Town meeting on Thursday May 25th at the Newcastle Town Hall, 9est.***

From the Desk of the Grand Marshall

A force of Empire troops tried to capture Sam Rye of Tokuno in Zento this past Sunday night. A runner came to yew asking for aid in repelling the attack. A small force of yew Militia and Royal Knights came to aid the embattled Blue Lotus in Zento. After a long, fierce battle with many casualties on both sides, the Empire's troops were driven out of Zento.

My informants have indicated that in a meeting in the Spider City Tuesday night, the Empress Velturasa Viaxus

ordered her General, Ian Nottingham to proceed with attacks on the civilian populaces of Tokuno, Britannia and Newcastle.

This action seems to be in retaliation for the Empire of Tokuno withdrawing from their non-aggression pact with the EoA.

I would warn all citizens to travel by day and be cautious. Please alert your local authorities should you see enemy troop movements or see suspicious people in our territories.

Tuesday evening I met with the Prince of Tokuno and Undermarshall Oona of the RKR and passed on my latest intelligence reports. I also reaffirmed the intention of the BAF forces to come to the aid of Tokuno in the event of an attack by troops of the Empire.

The forces of good are rallying to protect the people of our lands. I urge any with a desire to serve to seek out the recruiting officers in your locality. I also am sending a recall out for all retired members of the Yew Militia and other BAF units to return to service in our time of need.***
